

RUCHIRA GROUP

Beyond Innovation

About Us

Certified with ISO 10002:2014, Ruchira Group is a visionary, innovative and efficiency driven real estate development firm. With Residential Housing, Commercial and Office Space segments, Turnkey projects for big corporates along with Infrastructure Projects, the group follows the philosophy of creating incomparable value and an enhanced happiness quotient for the customer. This is achieved by making them proud owners of best quality assets at the most affordable cost.

The organisation aims to create a niche for itself in the industry by delivering projects with unmatched eminence, client services as well as the telecommunication and construction technologies to make life simpler, safer and securer. With its credo of “Trust, Transparency & Technology”, the organisation plies its journey towards Excellence.

At Ruchira Group, we take pride in our uncompromising engagement for quality assurance, efficiency and creating a legacy. We invest in spearheading innovation through empowerment, optimism and social responsibility.

Organisation Philosophy

VISON

Catering to the majority segment in the urban and sub-urban areas, we follow our vision of providing cost effective residential solutions to our clients. With an intention of providing luxurious lifestyle we incorporate technology and energy systems in our residential and commercial projects.

MISSON

Our mission is to revolutionise the Real Estate Sector, for which we are dedicated to creating maximum value for our stakeholders. To achieve this, we leverage cutting edge technology, innovative thinking based breakthrough development and process approach and competence of best in class suppliers, partners and technology providers.

WHY WE'RE DIFFERENT

CLOSE THE GAP

Our product makes consumer lives easier, and no other product on the market offers the same features in the segment.

Be it technology or material used from tiles to fixtures and fitting we believe in using only the best brands available and transferring the warranties to the end user. With that being said, the costs added from these brands is never loaded on to the customers, rather managed by us.

TARGET AUDIENCE

Our target audience is relatively un-orthodox, between the age of 25-40, highly educated and tech savvy.

EASY TO USE

Simple designs that give customers the targeted experience they need.

JOURNEY

Leadership

Mr. Rajeev Kumar Gupta
Chairman and Managing Director

Commercial Projects

2012

2015

With over 20,000 sq.ft. of built up office space, Ruchira Group's former head office, B-20 was designed to house over 3 professional giants at a time. The business centre is located in the magnetic hub of Noida's Industrial sector, giving it the synonymy with opulence. On the other hand Claier, located in the commercial and residential centre of Noida, is designed to be the triumph of corporate success. The building offers 60,000 sq.ft. of corporal space, equipped with a double basement and 14 floors consisting of a vast glass exterior front that magnifies its presence from miles away.

Philanthropic Services

Ruchira Group firmly believes in giving back to society in such a way that it brings transformational impact in the life of needy, underprivileged and economically challenged segment of society. The group carries these philanthropic services under “**Rajeev Gupta Foundation**”.

Key Projects

Main Bhi Kalam

Mr. Gupta being someone who completed majority of his education through scholarships, always wanted to give back to the society that helped him become who he is today. With the scheme, the group is actively supporting the lesser privileged and economically challenged, extraordinary and talented Primary School and Engineering Students students from Rural areas by sponsoring their education for both, primary as well as engineering graduation education.

Celebrity Fundraisers

In order to increase funds, awareness and resources for our social cause, the group leverages magnetic charm and fame of celebrities by engaging them in awareness events. With the idea of transforming more lives in a positive manner, the group recently organised a Fundraising Night by inviting Mr Johny Lever and other famous personalities from the entertainment industry. The event gained a huge success and was attended by many known names from the national capital, New Delhi and its neighbouring areas.

Awards and Achievements

Mr Rajeev Kumar Gupta received appreciation and acknowledgement from society through conferment of the prestigious **Mahatma Gandhi Peace Award, for the year 2015**

Embarking an excellence in his field of proficiency, Mr. Gupta served as a Foreign Delegate at multiple conferences held in France and Korea, representing India on an International level, during his time at the Ministry of Telecommunications.

Through a clear mindset, Ruchira Group's association with HCL lead to an award winning Career Development Centre for the young and bright students. The CDC was awarded with the title of "Best Career Development Centre of the year 2010".

Launching Soon

**SAPPHIRE
ESQUIRE**

Sapphire Esquire

Located at entrance of the township that comprises of over 3,500 apartments, Sapphire Esquire is a unique and very profitable convenient shopping centre for the residents of Jaipuria Sunrise Township.

With 55 shops to offer, about 300 sq.ft. each, the commercial project is 3 side open for easy access to it's customers and will be set to serve over 14,000 customers, all located within the radius of 20 acres.

**SAPPHIRE
ESQUIRE**

Upcoming Project

Located on the 14-lane Delhi-Meerut Expressway, our upcoming project is only 30 minutes from the centre of the National Capital, New Delhi. With backing to the Group's vision, these homes will also be well equipped with the latest Artificial Intelligence technology along with all the interior finishes such as tiles, sliding glass doors, CP fittings, etc. of the top-notch make.

Consisting of 2 and 3 BHK units, this project is designed to cater to the young and dynamic, working class families, and in alignment with our mission, these homes will deliver quality that has never been seen in its segment before.

With the convenience of being located in a close proximity to the Eastern and Western Peripheral Expressway, the housing society will offer a tremendous connectivity to Gurugram, Meerut, Noida, New Delhi, as well as a seamless connectivity to Indira Gandhi International Airport, Jewar Airport and the city of Agra.

Built over 7.5 lakh sq.ft. of open space, this housing society will be an essential part of the township that currently also houses Sapphire Smart Homes. With a stunning example sitting right next door, this upcoming project is designed to be the epitome of affordable grandeur.
